

## Cursillo Leaders Workshop

## AGM Report 2026

Over the course of the last year The British Anglican Cursillo Council have hosted two workshops both of which have been held at the Wistaston Oblate and Retreat Centre near Crewe. One on October 2025 and the most recent in March 2026. A total of 27 participants attend one of the courses along with 7 different members of staff. The quality of discussion on both weekends was excellent, and the workshops provide an excellent overview of what is going on across the country. Following feedback, the content of the programme for the March 2026 weekend was amended to good effect. It was lovely to have representatives from Leicester Cursillo on both weekends. I am grateful to the staff teams who gave of their time so freely to assist, and the staff team at Wistaston could not have made us more welcome and managed an interesting selection of dietary requirements!

Across the two weekends it was pleasing to have contributions from St Asaph & Bangor, Durham, Ely, Leicester, London, Southwell and Notts, Leeds, Sheffield, St Albans, Oxford, Chichester, Peterborough, Chester, Coventry and York dioceses together with a representative from Scotland.

Future weekends are planned for the following dates

23rd-25th October 2026	Pleshey Chelmsford CM3 1HA
5th -- 7th March 2027	Wydale Hall, Scarborough YO13 9DF
22nd – 24th October 2027	Wistaston Hall, Crewe
